

Recycling

Conducted by YouGov on behalf of SUEZ recycling and recovery UK Ltd

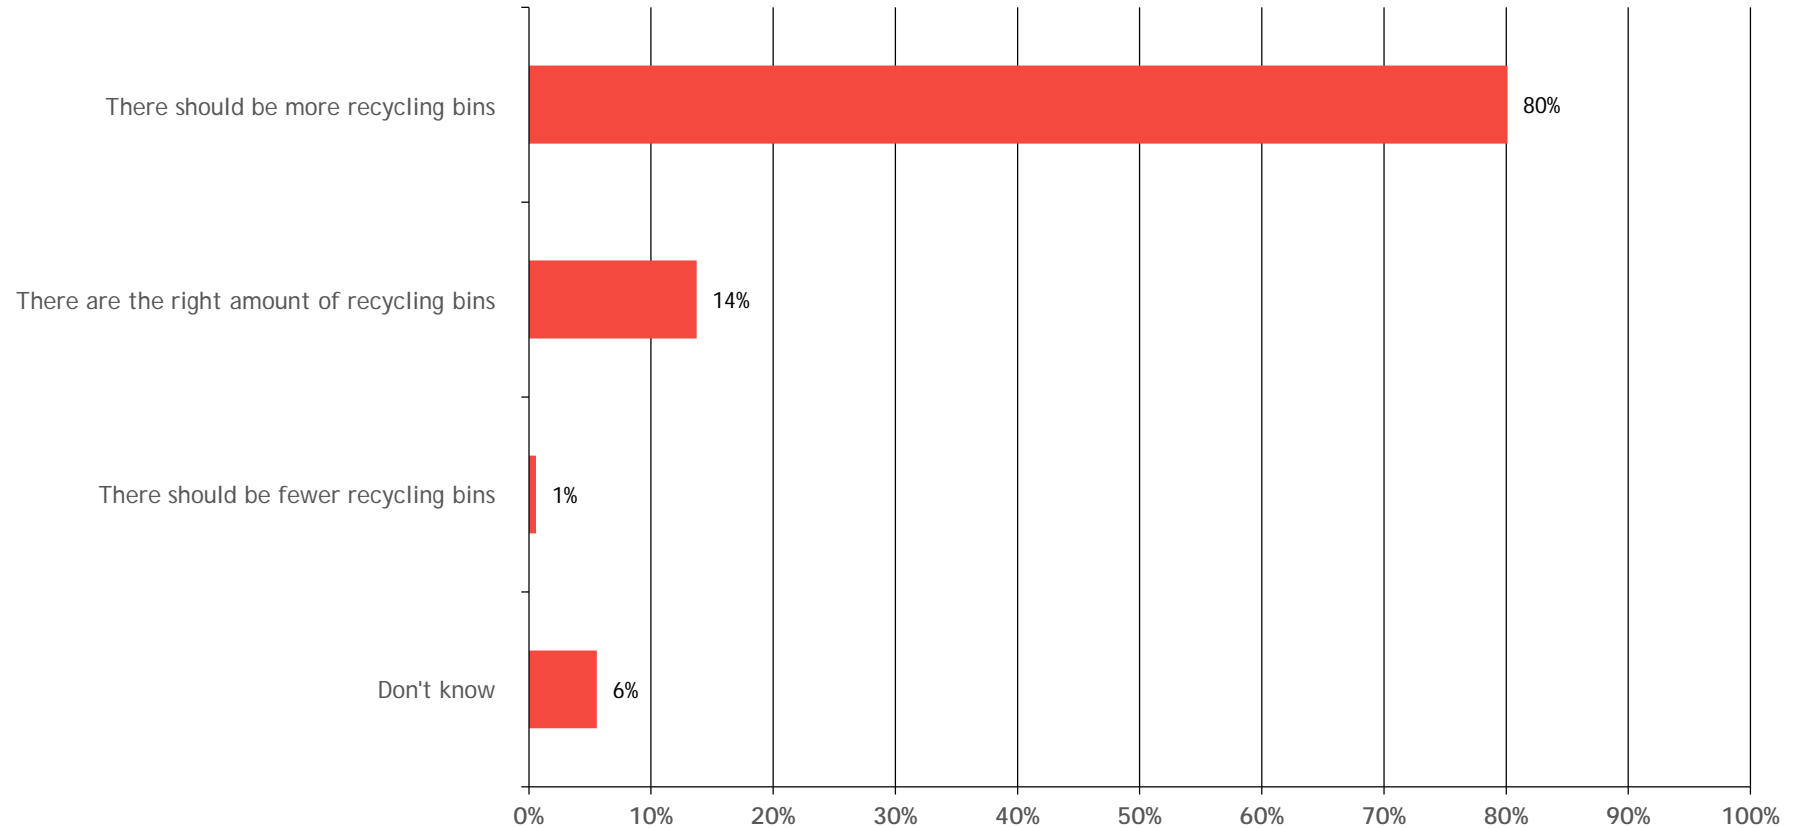

Fieldwork Dates: 23rd - 26th March 2018

Recycling

CMR_q2. For the following question, by "recycling bin", we mean any recycling bins for use by the public. Please do not think about recycling bins provided for household waste.

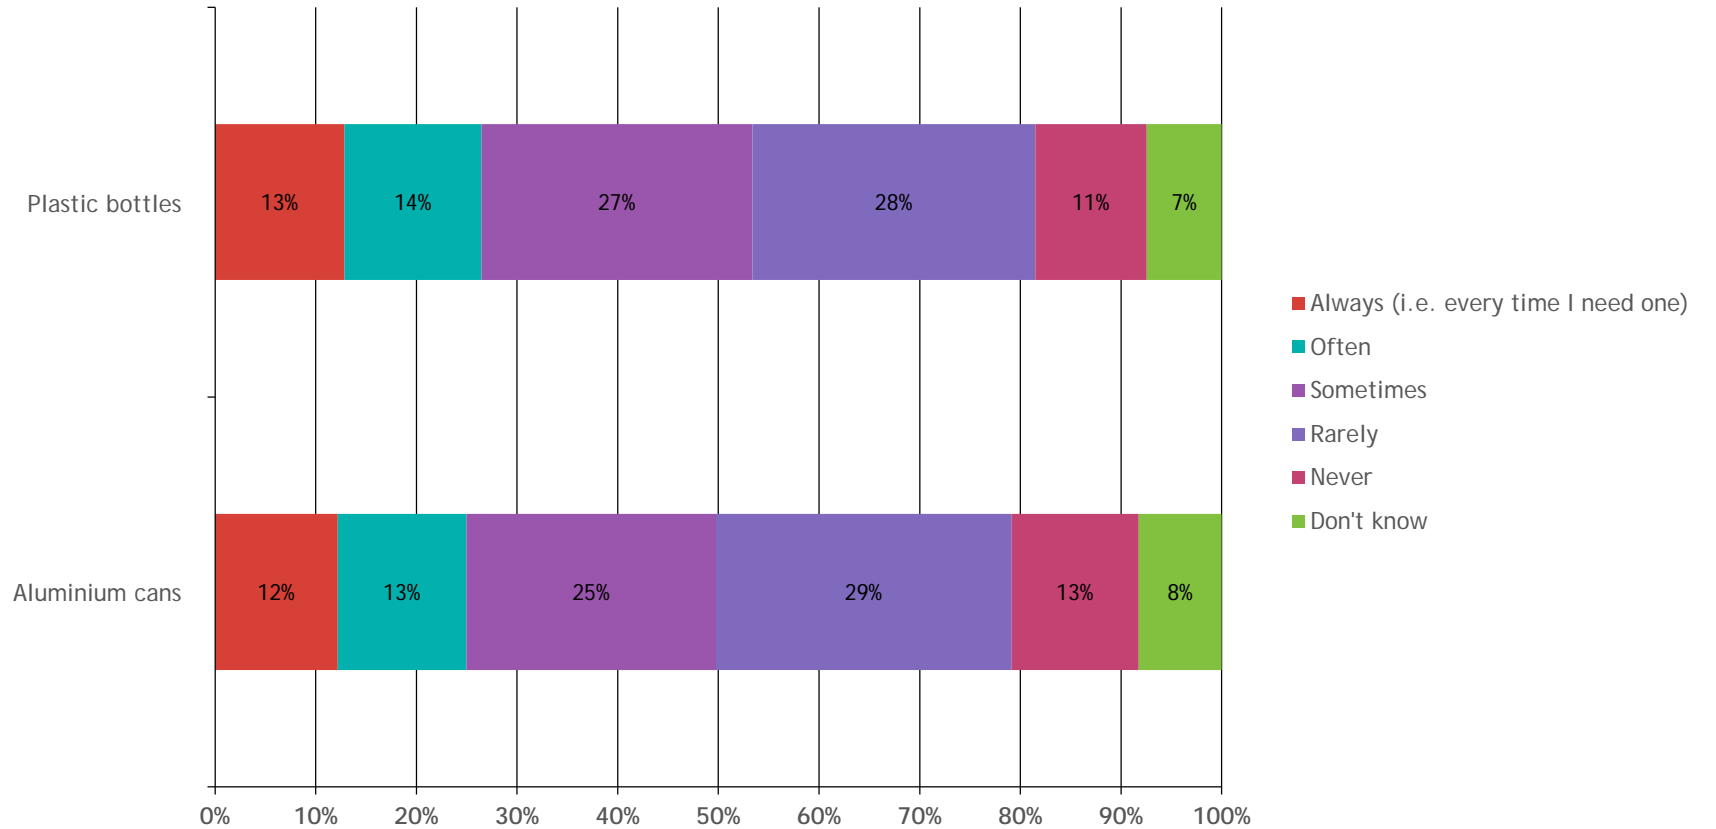

Do you think there should be more or fewer recycling bins in the public areas near where you live, or do you think there are the right amount?

Base: All GB adults (2036)

Recycling

CMR_q1a. How often, if at all, would you say you are able to find an appropriate recycling bin to recycle each of the following items when you are out and about? (Please select one option on each row)

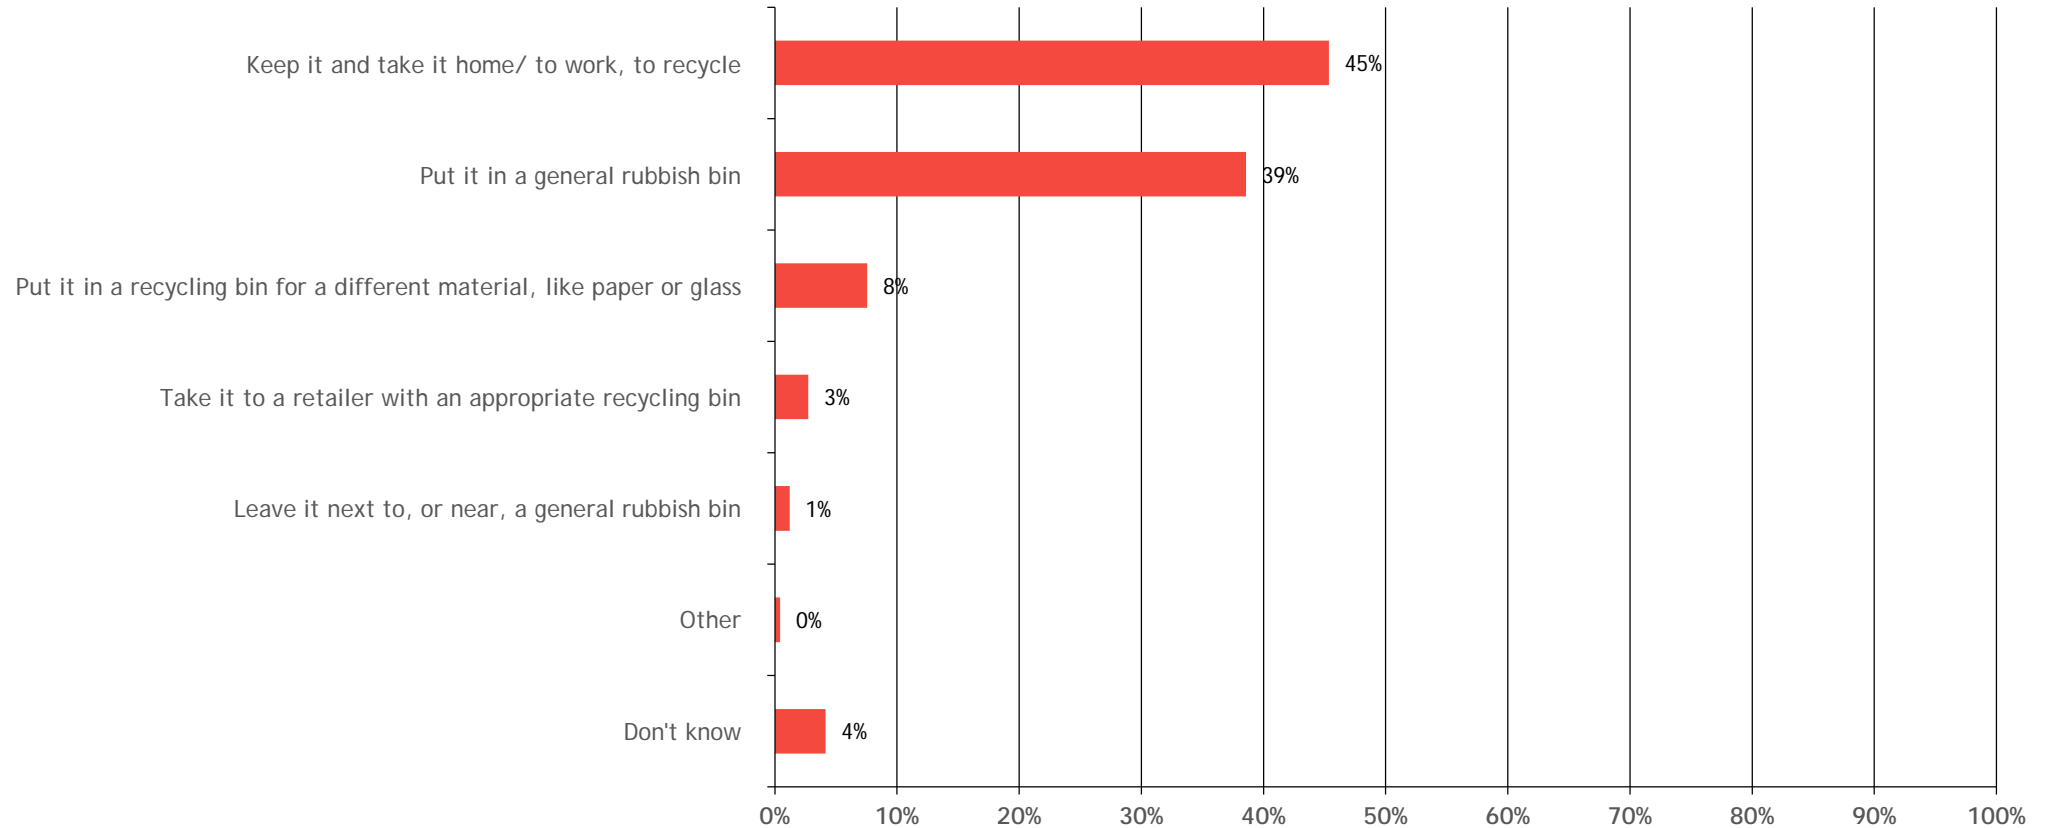

Base: All GB adults (2036)

Recycling

CMR_q3. For the following question, please imagine you had an empty plastic bottle or aluminium can whilst away from home/ work and there was not an appropriate recycling bin available...

Which ONE, if any, of the following BEST describes what you would be MOST likely to do with the empty plastic bottle or aluminium can? (Please select the option that BEST applies)

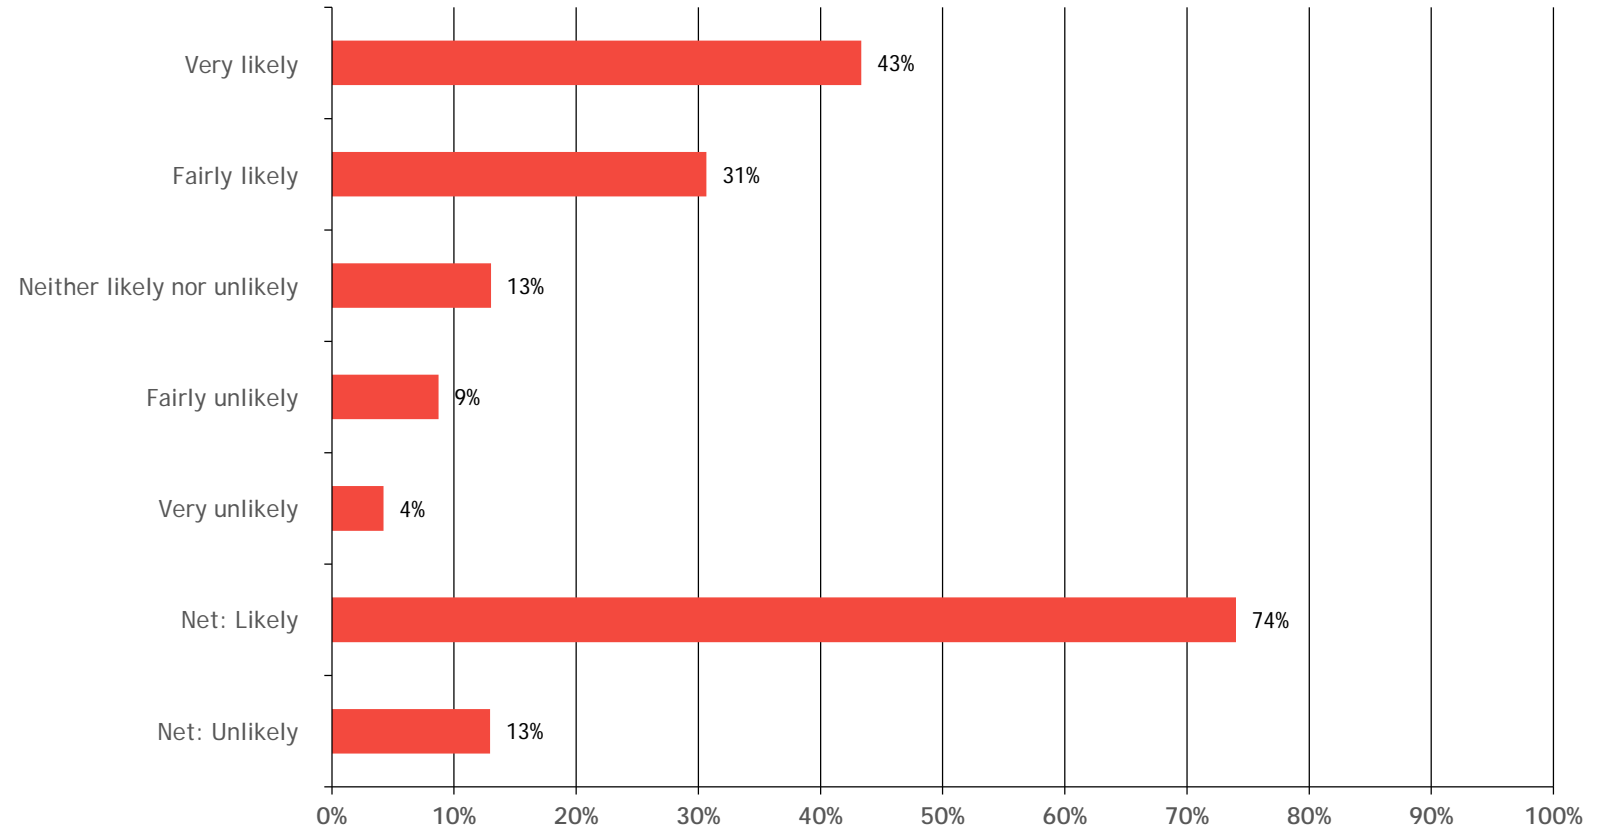

Base: All GB adults (2036)

Recycling

CMR_q5. For the following question, please imagine you were required to pay a 10p refundable deposit on ALL aluminium cans and plastic bottles that you purchase...

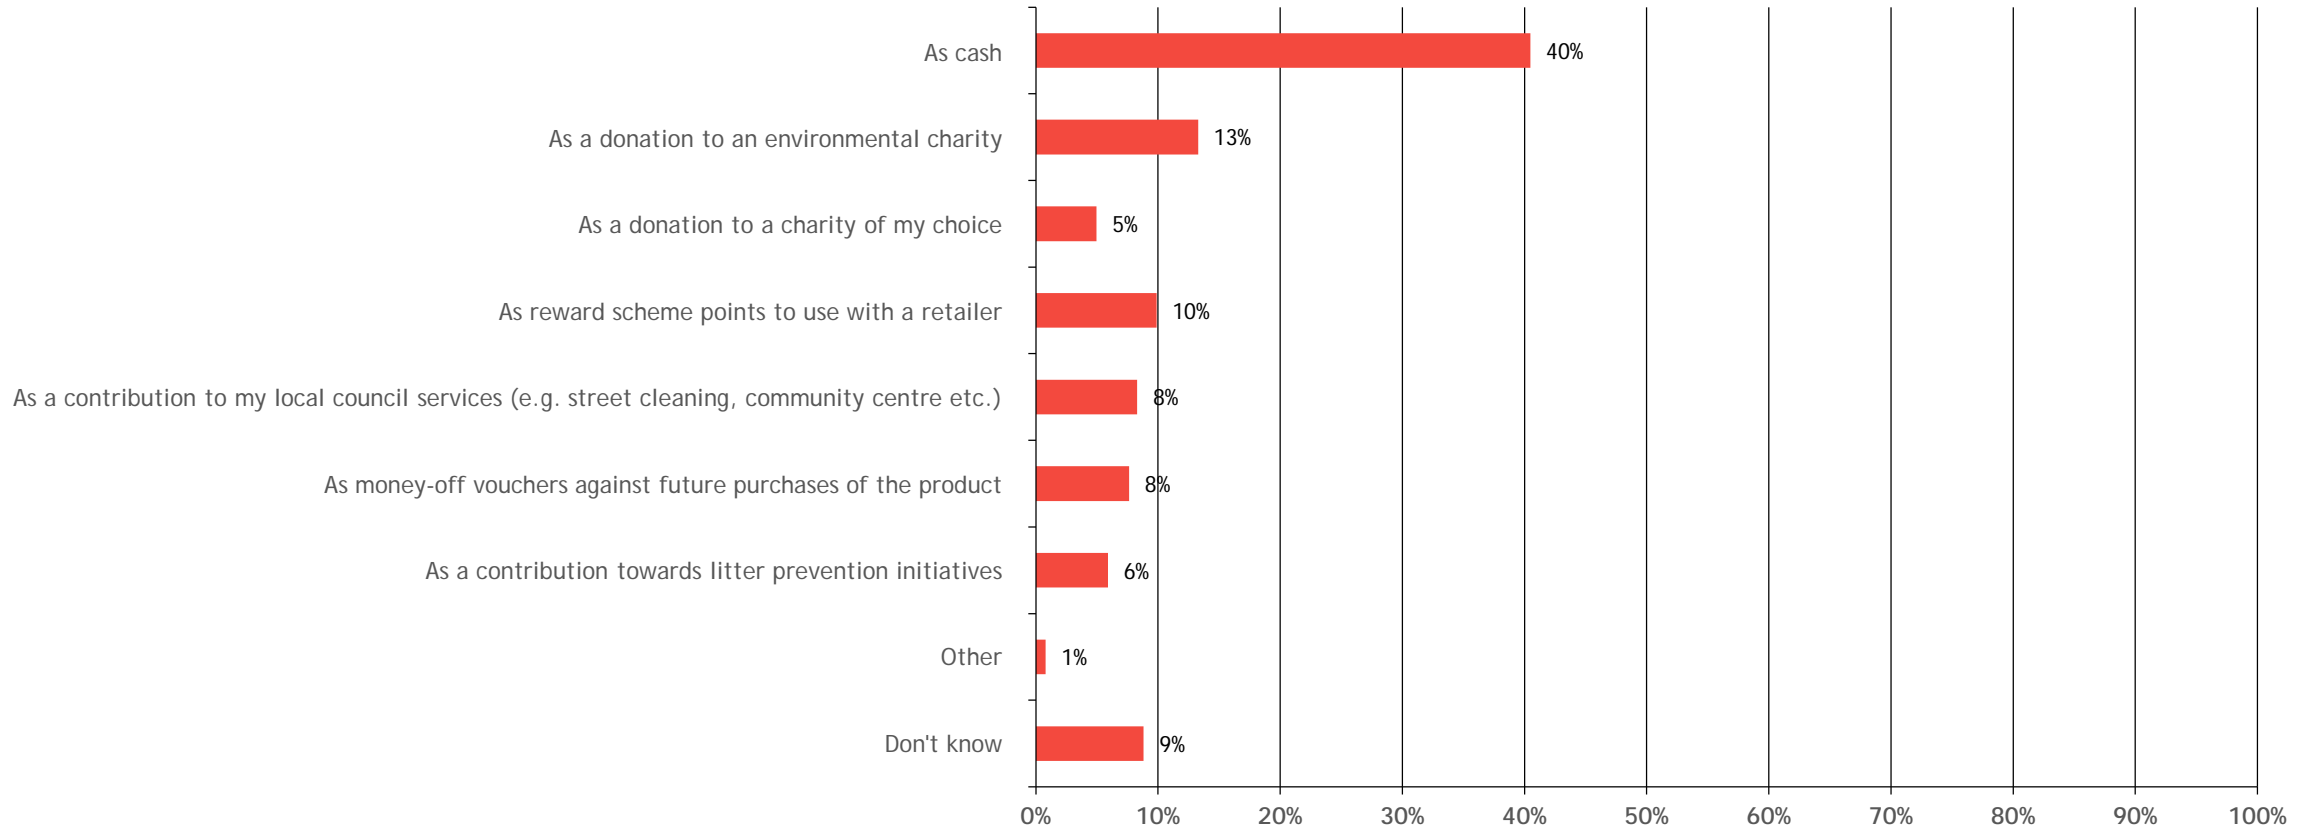

How likely or unlikely do you think you would be to return the can or bottle to a collection point to redeem the 10p deposit?

Base: All GB adults (2036)

Recycling

CMR_q6. Still imagining you were required to pay a 10p refundable deposit on ALL aluminium cans and plastic bottles that you purchase... Which ONE, if any, of the following would you prefer the 10p deposit to be used for, on return of the can or bottle to a collection point? (Please select the option that BEST applies)
